

PureContact™

A skillful balance of luxury and all-season performance designed for long wear, a comfortable ride, and best-in-class wet braking.

Benefits/Features:

- **Performance in dry conditions.** Strong outer shoulder and chamfered tread blocks maximize road contact.
- **Enhanced fuel efficiency.** EcoPlus Technology reduces rolling resistance with Tg-F polymers, providing improved fuel efficiency and lower CO2 emissions.
- **Improved snow performance.** Traction grooves and increased pattern edges.
- **Excellent wet braking and long wear.** EcoPlus Technology's +Silane provides an optimum balance of exceptional wet grip and extended tread life.
- **Consumer friendly performance indicators.** Tuned Performance Indicators alert drivers to tire's performance level in Dry, Wet and Snow conditions.

TREAD: All-Season, Asymmetric
